

STRATTON HOME

CONSTRUCTION: SINGLE FAMILY
LOCATION: LYNDEN, WASHINGTON

The Stratton residence is a custom minimalist shed-style single-family home with polished concrete floors, walnut custom cabinets with ductless heating and cooling paired with hydronic radiant heat, natural gas fireplace, Water filtration, a water softener system, and a Level 2 electric car charger system. Features include cable handrails, smooth wall drywall, stain-grade solid core doors, rain screen vapor barrier, fiber cement board siding, metal standing seam roof, Skylights, and WestTec windows.

CUSTOM KITCHEN

This custom kitchen has Shinnok Froze Walnut cabinets paired with stainless steel appliances. Natural gas stove top, dual convection wall ovens, quartz countertops, tile backsplash, and radiant concrete floors.

STAIRS & RAILING

Custom stainless steel cable railing with a Douglas Fir handrail cap and powder-coated back posts. Terra Chaparral - European White Oak completes the stairs and second floor.

DESIGN FIXTURES & LIGHTING

Dynamic lighting fixtures include Bola Sphere LED Globe Pendants, Horizontal Wood finished LED Pendants, Nelson Saucer Bubble Pendants, satin grade walnut flush mount LED, and Lolite Series can light throughout the home.
